Sneak Peek into 2021

This year, we will continue to provide all Augusta kindergarten classrooms with veterinary play bundles.

We will also pilot multiple online veterinary learning programs for high school students, select one, and offer it to all Augusta high school students... for free.

Lastly, we plan to release virtual tours geared toward K-12 learners to further foster a love of the field.

Thank you for making the future of veterinary medicine **BRIGHTER** in Augusta, Georgia!
