K-12 Outreach Update

Our virtual coloring book is underway, featuring diverse professionals in vet med. All individuals are also part of diversity, equity, and inclusion (DEI) organizations like ours, fighting for a brighter future in vet med!

Local students can enter a coloring contest to win a Riverbanks Zoo virtual field trip for their whole CLASS! This is sponsored by Hill Top Animal Hospital in PAWtnership with us!

Evans Middle school enjoyed a virtual discussion with Dr. Terrence Ferguson this month! This extraordinary man is a veterinarian, business owner, author, and reality show star.

High school students continue to pilot ACT online training (link below). Local students can contact us to be enrolled!

A few of our FAVORITES!

Animal Care Technologies offers online learning modules for all things veterinary, including kennel, grooming, reception, and vet assistant. Local high school students have access to these free modules through our organization.

Alliance of Therapy Dogs has 50 local teams, and many are excited to begin visiting Augusta's schools! The purpose is to simply spread joy through love of pets.

Thank you for making the future of veterinary medicine **BRIGHTER** in Augusta, Georgia!
